**THANK
YOU!**

We want to take this opportunity to thank those who have supported us throughout our roller coaster ride here lately. First, for the support and prayer I received during my surgery and recovery. Next we had several people checking on us and helping us when we both got sick at the same time. We received cards and help, and we even had someone do a grocery run for us! Then we had the support and prayer during the difficult time of the loss of Linda's father. Again we received cards, gift cards for restaurants which really helps at such a busy time as this, and we even had two meals brought to the house! We really appreciate our Church, Pastor Jonathan, Char and our church family during times like this and for those that were able to be with us at his celebration of life. Thanks to those who helped with music, the picture dedication and the wonderful meal provided after the service. Again thank you so much, we really appreciate it!
~Randy and Linda Reed

NOTICE: Linda Sanko is working on a quilt to honor the military veterans of Dueber Church. She would like to include the names of military veterans living or deceased who are or have been a part of the Dueber Church family. If you know of anyone who should be included, please call the church office. We will need the name of the vet as well as the branch of service.

AN AUTOBIOGRAPHY
IN FIVE VERY SHORT CHAPTERS
Portia Nelson

Chapter 1

I walk down the street.
There's a hole in the sidewalk.
It is a very deep hole.
I fall in ...I am helpless.
It isn't my fault.
It takes forever to find a way out.

Chapter Two

I walk down the same street.
There's a deep hole in the sidewalk.
I pretend I don't see it.
I fall in ...again.
I can't believe I'm in the same place,
but it isn't my fault.
It still takes a long time to get out.

Chapter Three

I walk down the same street.
There's a deep hole in the sidewalk.
I see it is there
I still fall in...it's a habit,
but my eyes are open.
I know where I am.
It is my fault.
I get out immediately

Chapter Four

I walk down the same street
There's a deep hole in the sidewalk
I walk around it.

Chapter Five

I walk down another street
